### The sports insurance specialists.

ActiveRisk is one of the world's leading sports insurers. As specialists we understand the risks involved in sport and work in partnership with our policy holders and brokers to provide risk solutions.

We take a holistic approach to our insureds' needs by providing quality products backed by first class security, and offer our policy holders flexibility, up to date information and risk management advice.

### Tailored to your sport

We have the flexibility and technical expertise to design a package specifically tailored to protect the assets and liabilities for National Governing Bodies (NGBs), Sports Centres, clubs and associations.
